Garden Centre

Serving the Learning Disabled

*The Centre is a Social Enterprise that has been designed to give learning disabled adults the opportunity to gain work based experience and learn horticultural skills in a safe environment.*

**We are Macclesfield's best kept secret!!!**

Come and visit us at the Garden Centre, where you can buy a wide range of quality bedding plants, shrubs, perennials, hanging baskets, herbs & young vegetable plants, at very competitive prices.

Fresh seasonal vegetables & salads available from our raised beds, come and pick your own.

*"Every plant sold enables local disabled adults to gain new work skills."*

You can find us at [www.maccgardencentre.co.uk](http://www.maccgardencentre.co.uk).
